**Art.nr.** **Description****Separation gates with walkthru**

- 201268 Separation fence square tube model with 1 entry (W=3000 mm)
- 201265 Separation fence square tube model with 1 entry (W=3000 mm) incl. one way gate: model double pipe - version left
- 201267 Separation fence square tube model with 1 entry (W=3000 mm) incl. one way gate: model double pipe - version right
- 201044 Separation fence square tube model with 1 entry (L=3000 mm) incl. one way gate: model Texas
- 201269 Separation fence square model with 2 entry (L=4000 mm)
- 201266 Separation fence square tube model with 2 entry (L=4000 mm) incl. one way gates: model double pipe left and right
- 201045 Separation fence square tube model with 2 entry (L=4000 mm) incl. one way gates: model Texas

**Turnable separation fence square tube model with entry**

- 202050 Turnable separation fence square tube model with 2 entry (W=2500 mm)
- 202051 Turnable separation fence square tube model with 2 entry (W=2500 mm) with one way gate model: Texas
- 202052 Turnable separation fence square tube model with 2 entry (W=2500 mm) with one way gate: model double pipe 1x - version left and 1x - version: right

**Vertical moving separation fence**

- 202035 Separation fence pull up with electric cable Free space H=4200 mm Walkthru W=6000 mm
- 201074 Pneumatic operated separation fence W=3000-3500 mm

**Art.nr. Description****Fixed separation**

- 201222 Fence 1½" - dim. H=700 mm L=1090 mm
- 201051 Fence 1½" - dim. H=700 mm L=1215 mm
- 201270 Fence 1½" - dim. H=700 mm L=2070 mm
- 201271 Fence 1½" - dim. H=700 mm L=2550 mm
- 201050 Fence 1½" - dim. H=700 mm L=950 mm
- 201146 Fence 1½" curved - dim. H=700 mm L=1250 mm
- 201053 Fence 1½" type vert. pipe L=3000 mm
- 201013 Fence 2" - type 1 middle hor. pipe dim. H=710 mm L=1000 mm
- 201263 Fence 2" - type 1 middle hor. pipe dim. H=710 mm L=1400 mm
- 201014 Fence 2" - type 1 middle hor. pipe dim. H=710 mm L=2070 mm

**Fixed separation beef cattle**

- 201932 Fixed separation beef cattle H=1221mm  
(Beams c.t.c. 155 mm) Bottom and Top beam 2" vertical beams 1" (L=2700mm)
- 201933 Fixed separation beef cattle H=1221mm  
(Beams c.t.c. 155 mm) Bottom and Top beam 2" vertical beams 1" (L=3000mm)
- 201934 Fixed separation beef cattle H=1221mm  
(Beams c.t.c. 155 mm) Bottom and Top beam 2" vertical beams 1" (L=3250mm)
- 202061 Fixed separation beef cattle H=1221mm  
(Beams c.t.c. 155 mm) Bottom and Top beam 2" vertical beams 1" (L=3500mm)
- 202062 Fixed separation beef cattle H=1221mm  
(Beams c.t.c. 155 mm) Bottom and Top beam 2" vertical beams 1" (L=4000mm)

**Art.nr.** **Description****Fixed separation cattle with drink opening**

- 201935 Fixed separation beef cattle with drink opening H=1221mm  
(Beams c.t.c. 155 mm) Bottom and Top beam 2" vertical beams 1" (L=2700mm)
- 201936 Fixed separation beef cattle with drink opening H=1221mm  
(Beams c.t.c. 155 mm) Bottom and Top beam 2" vertical beams 1" (L=3000mm)
- 201937 Fixed separation beef cattle with drink opening H=1221mm  
(Beams c.t.c. 155 mm) Bottom and Top beam 2" vertical beams 1" (L=3250mm)
- 202056 Fixed separation beef cattle with drink opening H=1221mm  
(Beams c.t.c. 155 mm) Bottom and Top beam 2" vertical beams 1" (L=3500mm)
- 202057 Fixed separation beef cattle with drink opening H=1221mm  
(Beams c.t.c. 155 mm) Bottom and Top beam 2" vertical beams 1" (L=4000mm)

**Extendable separation gates**

- 202041 Extendable separation gate 3-5 mtr (3 hor. tubes 2" H=710 mm) complete with adjustable hinges  
and locking pen with wall plate
- 202049 Extendable separation gate 2-3,5 mtr (3 hor. tubes 2" H=710 mm) complete with adjustable hinges  
and locking pen with wall plate

**Gates / Sorting fences**

- 201077 Manual fence for cow entry
- 201048 Gate L=800-1250 mm
- 201049 Gate L=1250-1800 mm
- 201046 Sorting fence - L=1250-1800 mm
- 201047 Sorting fence - L=1900-2800 mm

**One way gates**

- 201038 One way gate: model double pipe - version: left
- 201017 One way gate: model double pipe - version: right
- 201075 One way gate: model Large Texas
- 201007 One way gate: model Texas
- 201008 One way gate: model Texas with brackets 2" M10

**Art.nr. Description****Portals with different separation fences and one way gates**

201003	Portal 2" - W=1000 mm
201006	Portal 2" - W=1000 mm with one way gate: model Texas
201076	Portal 2" - W=1000 mm with one way gate: model Texas incl. 2 Floor mounting (art.nr. 201064)
201005	Portal 2" - W=1077 mm
201004	Portal 2" - W=1100 mm
201019	Portal 2" - W=1100 mm with separation door model: curved door left incl. cylinder
201018	Portal 2" - W=1100 mm with separation door model: curved door right incl. cylinder
201020	Portal 2" - W=1100 mm with separation door model: extendable door incl. cylinder
201002	Portal 2" - W=925 mm
201021	Portal 2" - W=925 mm with texas doors incl. cylinder
201010	Portal 2" floating - W=1500-2100 mm
201015	Portal 2" floating - W=2350-2750 mm (Fence 1000 mm)
201011	Portal 2" floating - W=2550-3150 mm dubbele doorloop
201264	Portal 2" floating - W=2650-3150 mm (Fence 1400)
201016	Portal 2" floating - W=3420-3820 mm (Fence 2070)
201117	Portal 2" floating - W=4250 mm (Fence 1000 + Fence 1400 mm)
202053	Portal 2" floating - W=1500-2100 mm with one way gate: model Texas Walkthru=850mm
202054	Portal 2" floating - W=2350-2750 mm with one way gate: model Texas (Fence 1000 mm) Walkthru=850mm
202055	Portal 2" floating - W=2550-3150 mm with 2 one way gates: model Texas Double Walkthru=850mm each

**Art.nr.** **Description****Mounting materials**

201054	Mounting pole Ø2" - H=1200 mm
201055	Mounting pole Ø2" - H=1500 mm
201056	Mounting pole Ø2" - H=2000 mm
201052	Mounting pole Ø2½" - H=1500 mm
202040	Mounting pole Ø2½" - H=3000 mm
201057	Mounting plate 2-2½" for pen
201114	Mounting plate 1¼-1½" for pen
201112	Montage plaat t.b.v. 1¼-1½" t.b.v. pen
201122	Mounting support for wall model: pipe Ø48,3 L=1200
201116	Mounting support for wall model: pipe Ø48,3 L=500
201125	Mounting support for wall model: angle L=200 mm
201124	Mounting support for wall model: plate for Ø48,3 (1½")
201261	Mounting support for wall model: plate for Ø60,3 (2")
201140	Floor mounting post for 2" pipe model: Duck foot Ø1½" L=500 mm
201058	Hot dip galvanised tube Ø1½" - L=6000 mm
202039	Hot dip galvanised tube Ø2" - L=6000 mm

**Support**

201093	Support wheel
201094	Support wheel and mounting post incl. mounting material for 1½"
201095	Support wheel and mounting post
201092	Mounting post for support wheel

**Art.nr. Description****Hinge and Locking**

- 202058 Wall locking plate for locking pen
- 202059 Locking pen for 710 mm fence (excl. T-clamps)
- 202060 Adjustable hinge M20 with mounting plate (a piece)
- 201096 Hinge set 1½" to convert fence to turn
- 201097 Hinge set 2" to convert fence to turn
- 202037 Hinge plate 2-2½" for hinge pen top slotted hole
- 202038 Locking hinge tube Ø40 model: fence 500 mm H=710 mm

**Parts**

- 201133 Bearing Ø20 for M12 L=63 material PE
- 201134 Bearing internal Ø20 material PA6
- 202045 Connection tube double vertical 2" for small entry
- 201119 Pen Ø19 L=412 mm
- 201132 Pen Ø19 L=710 mm
- 201262 Rubber stop Ø30 L=30
- 201129 Rubber stop Ø50
- 201120 Adapter plate 2" (60)

**Art.nr.** **Description****Pneumatic**

- 201135 5/2 pneumatic valve: 12VDC
- 201136 5/2 pneumatic valve: 24VAC
- 201121 5/2 pneumatic valve: 24VDC
- 201137 Pneumatic cylinder 40×400
- 201138 Pneumatic cylinder 50×500
- 201139 Emergency switch for compressed air release with 1 connection
- 201144 Emergency switch for compressed air release with 2 connections
- 201145 Emergency switch for compressed air release with 3 connections

**Sensors**

- 201143 Sensor Amplifier
- 201141 Sensor Receiver
- 201142 Sensor Transmitter

**Recognition**

- 201130 Reflection plates
- 201115 Reflection plates incl. mounting material
- 201131 Mounting set for reflection plates
- 201113 Stainless steel ringantenna
- 201108 Mounting piece for stainless steel ringantenna on reflection plates

**Art.nr.** **Description****Separation units****Model: Texas**

201022 Separation portal Texas - (W=925 mm L=1240 mm)

**Model: 45°**

201039 Separation gate 45° model: extendable door (L=1075 mm)

201040 Separation gate 45° model: extendable door with 2 side fences and extra portal (L=2380 mm)

201071 Separation gate 45° model: long door (L=1750)

**Model: 45° with Texas**

201041 Separation gate Texas and 45° model: extendable door with side fences and extra portal (L=3255 mm)

**Model: curved door**

201029 Separation gate model: curved door - version: 2 way [straight left] (L=1100 mm)

201030 Separation gate model: curved door - version: 2 way [straight right] (L=1100 mm)

201031 Separation gate model: curved door - version: 3 way (L=1100 mm)

201032 Separation gate model: curved door - version 2 way [straight left] with side fences and extra portal (L=2420 mm)

201033 Separation gate model: curved door - version: 2 way [straight right] with side fences and extra portal (L=2420 mm)

201034 Separation gate model: curved door - version: 3 way with side fences and extra portal (L=2420 mm)

**More ways to separate**

201841 Separation gate model: curved door - version: 3 way [straight left left] with side fences and extra portal (L=3820 mm)

201842 Separation gate model: curved door - version: 3 way [straight right right] with side fences and extra portal (L=3820 mm)

201843 Separation gate model: curved door - version: 4 way [3 way + straight left] with side fences and extra portal

201201 Separation gate model: curved door - version: 4 way [3 way + straight right] with side fences and extra portal

**Art.nr.** **Description****Separation units****Model: curved door with Texas**

- 201035 Separation gate Texas model: curved door - version: 2 way [straight left] with side fences and extra portal (L=3260 mm)
- 201036 Separation gate Texas model: curved door - version: 2 way [straight right] with side fences and extra portal (L=3260 mm)
- 201037 Separation gate Texas model: curved door - version: 3 way with side fences and extra portal (L=3260 mm)

**More ways to separate**

- 201848 Separation gate Texas model: curved door - version: 3 way [straight left left] with side fences and extra portal (L=4660 mm)
- 201849 Separation gate Texas model: curved door - version: 3 way [straight right right] with side fences and extra portal (L=4660 mm)
- 201850 Separation gate Texas model: curved door - version: 4 way [3 way + straight left] with side fences and extra portal (L=4660 mm)
- 201851 Separation gate Texas model: curved door - version: 4 way [3 way + straight right] with side fences and extra portal (L=4660 mm)

**Art.nr.** **Description****Separation units****Model: extendable door**

- 201023 Separation gate model: extendable door - version: 2 way [straight left] (L=1100 mm)
- 201024 Separation gate model: extendable door - version: 2 way [straight right] (L=1100 mm)
- 201025 Separation gate model: extendable door - version: 3 way (L=1100 mm)
- 201026 Separation gate model: extendable door - version: 2 way [straight left] with side fences and extra portal (L=2420 mm)
- 201027 Separation gate model: extendable door - version: 2 way [straight right] with side fences and extra portal (L=2420 mm)
- 201028 Separation gate model: extendable door - version: 3 way with side fences and extra portal (L=2420 mm)

**More ways to separate**

- 201844 Separation gate model: extendable door - version: 3 way [straight left left] with side fences and extra portal (L=3820 mm)
- 201845 Separation gate model: extendable door - version: 3 way [straight right right] with side fences and extra portal (L=3820 mm)
- 201846 Separation gate model: extendable door - version: 4 way [3 way + straight left] with side fences and extra portal (L=3820 mm)
- 201847 Separation gate model: extendable door - version: 4 way [3 way + straight right] with side fences and extra portal (L=3820 mm)

**Art.nr.** **Description****Separation units****Model: extendable door with Texas**

- 201059 Separation gate Texas model: extendable door - version: 2 way [straight left] with side fences and extra portal (L=3260 mm)
- 201060 Separation gate Texas model: extendable door - version: 2 way [straight right] with side fences and extra portal (L=3260 mm)
- 201061 Separation gate Texas model: extendable door - version: 3 way with side fences and extra portal (L=3260 mm)

**More ways to separate**

- 201852 Separation gate Texas model: extendable door - version: 3 way [straight left left] with side fences and extra portal (L=4660 mm)
- 201853 Separation gate Texas model: extendable door - version: 3 way [straight right right] with side fences and extra portal (L=4660 mm)
- 201854 Separation gate Texas model: extendable door - version: 4 way [3 way + straight left] with side fences and extra portal (L=4660 mm)
- 201855 Separation gate Texas model: extendable door - version: 4 way [3 way + straight right] with side fences and extra portal (L=4660 mm)

**Art.nr.** **Description****Separation units****Model: long door**

- 201205 Separation gate model: long door - version: 2 way [straight left] (L=1750 mm)
- 201204 Separation gate model: long door - version: 2 way [straight right] (L=1750 mm)
- 201203 Separation gate model: long door - version: 3 way (L=1750 mm)
- 201924 Separation gate model: long door - version: 2 way [straight left] with side fences and extra portal (L=3055 mm)
- 201925 Separation gate model: long door - version: 2 way [straight right] with side fences and extra portal (L=3055 mm)
- 201206 Separation gate model: long door - version: 3 way with side fences and extra portal (L=3055 mm)

**Model: long door with Texas**

- 201928 Separation gate Texas model: long door - version: 2 way [straight left] with side fences and extra portal (L=3910 mm)
- 201929 Separation gate Texas model: long door - version: 2 way [straight right] with side fences and extra portal (L=3910 mm)
- 201202 Separation gate Texas model long door - version: 3 way with side fences and extra portal (L=3910 mm)

**Art.nr.** **Description****Separation units****Specials**

202042 Separation gate Texas model: curved door - version: 2 way [straight left] with side fences and extra portal small entry 800 mm (L=3340 mm)

202043 Separation gate Texas model: curved door - version: 2 way [straight right] with side fences and extra portal small entry 800 mm (L=3340 mm)

202044 Separation gate Texas model: curved door - version: 3 way with side fences and extra portal small entry 800 mm (L=3340 mm)

**More ways to separate**

201856 Separation gate Texas model: curved door - version: 3 way [straight left left] with side fences and extra portal small entry 800 mm (L=4740 mm)

201857 Separation gate Texas model: curved door - version: 3 way [straight right right] with side fences and extra portal small entry 800 mm (L=4740 mm)

201858 Separation gate Texas model: curved door - version: 4 way [3 way + straight left] with side fences and extra portal small entry 800 mm (L=4740 mm)

201859 Separation gate Texas model: curved door - version: 4 way [3 way + straight right] with side fences and extra portal small entry 800 mm (L=4740 mm)

**Art.nr.** **Description****Separation units****Specials**

- 202046 Separation gate model: Galvanized interrupted Texas curved door - version: 2 way [straight left] with side fences and extra portal small entry 800 mm (L=3340 mm)
- 202047 Separation gate model: Galvanized interrupted Texas curved door - version: 2 way [straight right] with side fences and extra portal small entry 800 mm (L=3340 mm)
- 202048 Separation gate model: Galvanized interrupted Texas curved door - version: 3 way with side fences and extra portal small entry 800 mm (L=3340 mm)

**More ways to separate**

- 201860 Separation gate model: Galvanized interrupted Texas curved door - version: 3 way [straight left left] with side fences and extra portal small entry 800 mm (L=4740 mm)
- 201861 Separation gate model: Galvanized interrupted Texas curved door - version: 3 way [straight right right] with side fences and extra portal small entry 800 mm (L=4740 mm)
- 201862 Separation gate model: Galvanized interrupted Texas curved door - version: 4 way [3 way + straight left] with side fences and extra portal small entry 800 mm (L=4740 mm)
- 201863 Separation gate model: Galvanized interrupted Texas curved door - version: 4 way [3 way + straight right] with side fences and extra portal small entry 800 mm (L=4740 mm)

***Separation units are also available as 5 way separation, contact us for more options***

**Art.nr.** **Description****Separation units Mounting kits (DIY)****Model: Texas**

201891 DIY - Separation portal Texas - (W=925 mm L=1240 mm)

**Model: 45°**

201864 DIY - Separation gate 45° model: extendable door (L=1075 mm)

201865 DIY - Separation gate 45° model: extendable door with 2 side fences and extra portal (L=2380 mm)

201866 DIY - Separation gate 45° model: long door (L=1750)

**Model: 45° with Texas**

201883 DIY - Separation gate Texas and 45° model: extendable door with side fences and extra portal (L=3255 mm)
